President's Message:

Just wanted to say a few words to everyone about our Annual Meeting and plans for 2011.

We had a great meeting Sunday, January 31st, although we sure missed those who were unable to attend. The Club members made some GREAT plans for the year...starting with our February meeting. We will be having a program on Canine Nutrition provided by the owners of Long Leash on Life. Ken and Norman are so very knowledgeable and have degrees in nutrition. They will give us great info and answer any questions you may have. The meeting will be on 2/27/11.

Plans were also made for our Fun Match (April 10th), our Specialty (May 13th), Meet the Breed (May 14th), a grooming Clinic (July), a program involving search and rescue dogs, Doggie Dash & Dawdle (November).

Hopefully, we have something for everyone and there will surely be great opportunities for us all to learn new and exciting things.

The Club also welcomed Ellen as our newest member. Ellen came to us from our Meet the Breed event held last May.

I am also so very happy to announce that Gin Chappelle, after having given 30 years of service to our Club, was voted in as a Lifetime Member. Please join me in congratulating and thanking Gin for her unwavering dedication!

Gin, Phillip, Mary Ann and I all came to the Club very early on and I can honestly say that the Club has always meant so very much to me. It has been a vehicle for lasting lifelong friendships for which I shall always be eternally grateful!

I know that I am looking forward to a GREAT year...Please circle your calendars. I sure look forward to seeing each one of you!

Dianne Uzdawinis, President
