

## MAY SPECIALTY

We have completed another Specialty and what a show it was! A lot of hard work but all the Exhibitors seemed to have had a great time and some expressed how pleased they were with the trophies, lunch and the raffle. The raffle was a huge success; deposited \$402 our account.

## MEET THE BREED

On May 15th Club members held their first "Meet the Breed". We were very pleased with the turn out; we had nine couples/individuals visit us. It would be so nice to have all or some us them join us! (Barb & Denny McCredy, Robert Wild, Marjorie & Rick, Jeanette, John & Debbie, Ellen, Barbara, Nina, and Michelle). We hope to see so of these folks at our next meeting or in the near future.

A big <u>THANK YOU</u> goes out to all of you who donated time, money, raffle items, effort and hard work to pull together our Specialty and Meet the Breed. It was a <u>lot of work</u> but the end results speaks for itself. Thanks again for a job well done!! Our two day event would not have been possible if it were not for our dedicated members. Thanks to all...

<u>Next Club Meeting—June 27th - 1:30 p.m.—Hoffman Park</u> Directly after our meeting Susan Shipley will present a tracking demonstration for us. Please make plans to attend, mark your calendar and I hope to see you all there.
