Deeply Loved & Forever in the Hearts of

Patricia & Jerry Williams

We have a secret, you and I,  
That no one else shall know,  
For who, but I can see you lie,  
    Each night in fire glow?  
And who but I can reach my hand  
    Before we go to bed,  
And feel the living warmth of you  
    And touch your silken head?

And only I walk woodland paths,  
    And see, ahead of me,  
You racing briskly with the wind,  
    So young again and free.  
And only I can see you swim  
    In every brook I pass.  
And, when I call, no one but I  
    Can see the bending grass.
