A large part of Linda's life was dedicated to Golden Retrievers and she will always be a part of the history of Rio Grande Valley GRC. Linda was loved by all who knew her, her spirit was full of knowledge, time and caring for everyone she encountered. Many of us in the Club learned what we now know about Goldens from her... she was a true inspiration. Thank you Linda for all you did for the Club and our wonderful breed. We will miss you and you will forever remain in our hearts. The world is a better place because Linda was in it...

*From all your friends with the Rio Grande Valley Golden Retriever Club*
