Meet the Breed May 14, 2011

We meet Mystic Gaskins at this event...I hope she will come join us at our next meeting with her dogs Bear & Angel.

Most of you by now have heard about our rescue girl, SCARLET. She is 5 years old and very easy going and friendly. Hopefully we will have a new & loving home for her this coming week. She is the sweetest Golden you could ever meet and she has the temperament of an angel. Thanks Lynn for giving this nice girl a temporary home until we find a permanent place for her.
